Comments

SEPITONIC M3 Multimineral chrono-energizer. Its zinc, copper and magnesium content helps stimulate the cells by increasing the energy profile (Pyruvate, ATP) and overall metabolism (DNA, proteins). Ideal for tired skin, SEPITONIC M3 delivers the elements needed for cell dynamism and the maintenance of skin function. It works to stimulate cell regeneration and helps restore fresh, radiant skin.

SIMULSOL 98 Solubilizer. Helps to formulate lotions with high levels of fragrance without any foaming or sticking side effect .
