

- Clear gel with glitter
- Packaging : Spray
- A light spray that covers your body in a shimmering veil of glitters.
- This refreshing spray leaves the skin smooth and radiant after drying.
- SEPIMAX™ ZEN has excellent compatibility with high doses of ethanol and maintains good stability in the presence of fragrance all the while suspending glitter.
- Even in the presence of alcohol, AQUAXYL™ moisturizes the skin : the PERFECT BALANCE !

Formula

A	SEPIMAX™ ZEN Aqua / Water	0.40% Qsp 100%
B	Ethanol	65.00%
C	AQUAXYL™ Calcium Aluminium Borosilicate and silica and Titanium Dioxide and Tin Oxide Parfum / Fragrance	1.00% 0.10% 1.00%

Procedure
LABO – 2000g

Swell Sepimax Zen in water mixture under high shear until uniform. Then, add slowly ethanol in the aqueous gel. Add phase C ingredients in separately. Ensure uniformity before each addition.

Characteristics

Appearance	Clear gel with glitters
pH	7.14
Viscosity 1M at RT	910 mPa.s S6S6

Raw materials from SEPPIC
AQUAXYL™
Xylitylglucoside and Anhydroxylitol and Xylitol

AQUAXYL™ moisturizes and restructures the skin by harmonizing the hydric flow of the skin. Water reserves are instantly boosted, water circulation is improved in all skin layers and water loss is reduced (in vitro and in vivo tests prove this efficacy). It's mechanism of action has been validated by cosmetogenomics. Ecocert and Natrue approved.

SEPIMAX™ ZEN
Polyacrylate Crosspolymer-6

Powder polymer approved as a cosmetic ingredient in China, it brings a MAXimum resistance to electrolytes and is stable from pH 2-8. Creating universal formulas with a rich and infinite softness and formulating transparent aqueous gels becomes easy! Explore your creative freedom in formulations: develop cream-gels or emulsions that envelop the skin with a cashmere veil. MAXI-Concept = SAVING TIME!
